

# ***Hazard Kit Wiring Diagram***

Part No. FR20118-1

---

The Hazard Kit (FR20118-1) is the perfect fit for any owner looking to add hazard light (4-way flasher) functionality to their classic vehicle! The 4-1/4" female connector connects directly to the wiring harness on Flaming River's Tilt Columns. This kit includes one female connector, 12V flasher, 15A fuse, and seven spare crimp terminals to plug in additional wires to the provided connector.

Visit [FlamingRiver.com](http://FlamingRiver.com) for Tech Tips or call 1-800-648-8022 if additional assistance is required, we are happy to help!
